

**REMARKS**

As examined, this application contained claims 1-8. Claim 8 has been allowed, claims 1, 2, 6 and 7 stand rejected, and claims 3-5 are objected to. Claims 1 and 2 have been canceled. Claims 3 and 4 have been amended to incorporate the subject matter of the claims from which they depend and, accordingly, are now in condition for allowance.

Original claim 5 remains as presented and is in condition for allowance at least for the reason of dependency from now allowable claim 4. Claims 6 and 7 have been amended to depend from allowable claim 3 and, accordingly, are now in condition for allowance for at least the reason of dependency on allowable claim 3.

Finally, claims 5 and 8 continue as originally presented, and in light of the allowance of claim 8 and the dependency of claim 5 on the now allowable claim 4, claims 5 and 8 are allowable.

In light of the foregoing, all of the claims presently in the application are in condition for allowance and Applicant respectfully requests such action. If the Examiner has any questions, or if the Examiner desires to discuss the application, it is requested that she contact the undersigned at 408-392-9250.
